

## Spinal Tumor Radiosurgery: A Multidisciplinary Approach

### Agenda

10:30 – 11 a.m.

Registration and Exhibit

11 – 11:05 a.m.

Welcome

11:05 – 11:20 a.m.

Introduction and Overview of Radiosurgery

*Walter J. Curran, MD*

11:20 a.m. – Noon

Spinal Radiosurgery: A Multidisciplinary  
Approach to Spinal Tumors

*Cynthia Anderson, MD*

Noon – 12:15 p.m.

Lunch and Exhibit

12:15 – 12:50 p.m.

Spinal Surgery for Tumors: A Minimally  
Invasive Approach

*Costas G. Hadjipanayis, MD, PhD*

12:50 – 1 p.m.

Interactive Question and Answer Session

There is no charge to attend this CME course. However, registration is requested. **To register, visit [www.winshipeventregistration.com](http://www.winshipeventregistration.com) or call 404-778-7777.** Registration includes attendance to the course, a program handout and lunch.

Please join us for the following events:

### **20th Anniversary Celebration of Radiosurgery at Emory**

**Date:** Tuesday, February 23, 2010

**Time:** 5 p.m.

**Location:** Winship Cancer Institute of Emory University, Room 5012

Reception and remarks from Walter J. Curran, MD, Ian Crocker, MD, and other faculty from Radiation Oncology at Emory.

*Complimentary registration. To register, visit [www.winshipeventregistration.com](http://www.winshipeventregistration.com) or call 404-778-7777.*

### **CME Program**

### **Spinal Tumor Radiosurgery: A Multidisciplinary Approach at Emory University Hospital Midtown**

**Date:** Friday, March 12, 2010

**Time:** 11 a.m. – 1 p.m.

**Location:** Emory University Hospital Midtown, Glenn Auditorium

*Complimentary registration and lunch.*

### **CME Program Description**

Faculty members will discuss technical considerations and provide rationale for spinal radiosurgery. In addition, they will discuss the advantages of the multidisciplinary approach to treating spinal tumors and the indications for spinal radiosurgery, and will review case examples and current clinical trials.

### **Educational Objectives**

After successful completion of this course, participants should be able to:

- Define spinal radiosurgery
- Identify technical considerations for spinal radiosurgery
- Apply rationale for spinal radiosurgery (metastatic tumors, benign tumors, and as adjuvant postoperative therapy)
- Understand the benefits and limitations of spinal radiosurgery
- Describe Radiation Therapy Oncology Group spinal radiosurgery clinical trials

### **Target Audience**

This educational activity is specifically designed for medical oncologists, radiation oncologists, neurological surgeons, orthopaedic surgeons, neuro-oncologists, radiologists and other health care professionals with an interest or involvement in radiosurgery.

### **Continuing Medical Education**

Emory University School of Medicine has designated this educational activity for a maximum of 2 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation. Emory University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### **Registration**

There is no charge to attend this CME course. However, registration is requested. To register, visit [www.winshipeventregistration.com](http://www.winshipeventregistration.com) or call 404-778-7777. Registration includes attendance to the course, a program handout and lunch.

### **Course Location**

Emory University Hospital Midtown  
Glenn Auditorium  
550 Peachtree Street, NE  
Atlanta, GA 30308

Parking is located in the deck adjacent to the building. Parking will not be validated and standard rates will apply.

### **Faculty**

#### **Cynthia Anderson, MD**

*Co-Director, Spinal Radiosurgery at Emory University Hospital Midtown  
Assistant Professor, Department of Radiation Oncology, Emory University*

#### **Walter J. Curran, MD**

*Lawrence W. Davis Chair and Professor,  
Department of Radiation Oncology  
Executive Director, Winship Cancer Institute of Emory University*

#### **Costas G. Hadjipanayis, MD, PhD**

*Co-Director, Spinal Radiosurgery at Emory University Hospital Midtown  
Georgia Cancer Coalition Distinguished Scholar  
Assistant Professor, Department of Neurosurgery,  
Emory University*
