At EMORY HEALTHCARE – the only academic health care system in Atlanta – the above words are no longer hidden, but core attributes of our team members, our patients and their families. Together, we strive to fulfill our mission “*To Serve Humanity by Improving Health*” every day.

Here, you will find an extraordinary team that partners with our patients, families and the community to better the health of every individual. Join us in uniting to spread knowledge, redefine the role of health care professionals and discover new methods to improve lives.
