SPORTS MEDICINE

Thomas M. P. Dougherty, MD

Professional Degree: University of Kansas
Residency: Medical College of Wisconsin
Fellowship: American Sports Medicine Institute, Birmingham, AL
Board Certified: Family Practice
Clinical Interests: Diagnosis and non-operative management of acute sports medicine injuries, joint injections

Spero Karas, MD

Professional Degree: Indiana University School of Medicine
Residency: Duke University Medical Center
Fellowship: Sports Medicine Knee and Shoulder Surgery, Steadman Hawkins Clinic, Vail, Colorado
Board Certified: Orthopaedic Surgery
Clinical Interests: Shoulder instability; rotator cuff injuries; degenerative conditions of the shoulder; sports and overuse injuries of the shoulder, elbow and knee; sports medicine; minimally invasive arthroscopic techniques of the shoulder, knee and elbow

Sameh A. Labib, MD

Professional Degree: Ain Shams University School of Medicine, Cairo, Egypt
Residency: McGill University Orthopaedic Program, Montreal, Canada
Fellowship: Sports Medicine Surgery, London, Ontario; Foot and Ankle Surgery, Birmingham, AL
Board Certified: Orthopaedic Surgery
Clinical Interests: Arthroscopy of knee and ankle, cartilage repair of knee and ankle, sports injuries of knee and ankle

Kenneth R. Mautner, MD

Professional Degree: Tulane University School of Medicine
Residency: Emory University School of Medicine
Fellowship: American Sports Medicine Institute, Birmingham, AL
Board Certified: Physical Medicine and Rehabilitation
Clinical Interests: Non-operative treatment of spinal disorders, interventional spinal care, sports concussions, acute sports injuries

Brandon Mines, MD

Professional Degree: University of Wisconsin
Residency: St. Luke's Family Practice, University of Wisconsin
Fellowship: UCLA, Sports Medicine
Board Certified: Family Practice
Clinical Interests: Diagnosis and non-operative management of acute sports injuries, joint injections

John W. Xerogeanes, MD

Head Orthopaedist and Team Physician, Georgia Tech
Professional Degree: Emory University School of Medicine
Residency: University of Pittsburgh Medical Center
Fellowship: Sports Medicine Knee and Shoulder Surgery, Steadman Hawkins Clinic, Vail, Colorado
Board Certified: Orthopaedic Surgery
Clinical Interests: Anterior cruciate ligament injuries (ACL), rotator cuff injuries, shoulder injuries, arthroscopic surgery of knee and shoulder, sports medicine

SPINE SURGEONS

Scott D. Boden, MD

Professional Degree: University of Pennsylvania
Residency: George Washington University, Washington, D.C.
Fellowship: Case Western Reserve University, Cleveland
Board Certified: Orthopaedic Surgery
Clinical Interests: Degenerative disorders of the cervical, thoracic and lumbar spine

John G. Heller, MD

Professional Degree: Johns Hopkins University
Residency: Case Western Reserve University, Cleveland
Fellowship: University of California, San Diego Medical Center
Board Certified: Orthopaedic Surgery
Clinical Interests: Degenerative cervical problems, spinal trauma, tumors, disc replacement

William C. Horton, MD

Professional Degree: Medical College of Georgia
Residency: University of Louisville
Fellowship: University of Louisville and Leeds and Oxford University, England
Board Certified: Orthopaedic Surgery
Clinical Interests: Disorders of the spine, minimally invasive techniques, scoliosis and complex deformities in adults and children

John M. Rhee, MD

Professional Degree: University of California at San Francisco
Residency: University of California at San Francisco
Fellowship: Washington University, St. Louis
Board Certified: Orthopaedic Surgery
Clinical Interests: Surgery of the cervical, thoracic and lumbar spine; microsurgery; minimally invasive surgery

Gerald Edward (Rusty) Rodts, Jr., MD

Professional Degree: Columbia University
Residency: University of California, Los Angeles
Fellowship: Emory University School of Medicine
Board Certified: Neurological Surgery
Clinical Interests: Degenerative spinal disease; athletic injuries; spine and spinal cord tumors; minimally invasive spine surgery; computer-assisted, image-guided spine surgery

S. Tim Yoon, MD, PhD

Professional Degree: Yale University School of Medicine
Residency: University of California at San Francisco
Fellowship: Rush Presbyterian Hospital, Chicago
Board Certified: Orthopaedic Surgery
Clinical Interests: Surgery of cervical, thoracic and lumbar spine, minimally invasive and microscopic techniques

NON-OPERATIVE SPINE PHYSICIANS

Susan J. Dreyer, MD

Professional Degree: University of Illinois College of Medicine

Residency: University of Texas Health Science Center at San Antonio

Board Certified: Physical Medicine and Rehabilitation, Pain Medicine

Clinical Interests: Non-operative care of the spine, physical medicine, spinal injections, orthopaedic rehabilitation

Jose E. García-Corrada, MD

Professional Degree: Universidad Central del Caribe School of Medicine, Bayamon, Puerto Rico

Residency: JFK Johnson Rehabilitation Institute, Edison, New Jersey

Board Certified: Physical Medicine and Rehabilitation

Board Eligible: Pain Medicine

Clinical Interests: Non-operative treatment of spinal and orthopaedic conditions, spinal injections

David D. Hubbell, MD

Professional Degree: Ohio State University College of Medicine

Residency: University of Texas

Board Certified: Physical Medicine and Rehabilitation

Clinical Interests: Non-operative care of spinal pain, electromyography

Randy S. Katz, DO, MPH

Professional Degree: Philadelphia College of Osteopathic Medicine

Residency: Emory University

Board Certified: Occupational Medicine

Clinical Interests: Diagnosis and non-operative treatment of spinal and orthopaedic conditions

Howard I. Levy, MD

Professional Degree: University of Miami

Residency: Mount Sinai and Bronx Veterans Affairs Medical Centers

Board Certified: Physical Medicine and Rehabilitation

Clinical Interests: Non-operative treatment of spinal disorders, interventional pain management

Kenneth R. Mautner, MD

Professional Degree: Tulane University School of Medicine

Residency: Emory University School of Medicine

Fellowship: American Sports Medicine Institute

Board Certified: Physical Medicine and Rehabilitation

Clinical Interests: Non-operative treatment of spinal disorders, interventional spinal care, sports concussions, acute sports injuries

Michael K. Schaufele, MD

Professional Degree: University of Frankfurt Medical School, Germany

Residency: Harvard Medical School

Board Certified: Physical Medicine and Rehabilitation, Pain Medicine

Clinical Interests: Non-surgical spine care, interventional pain management, exercise therapy

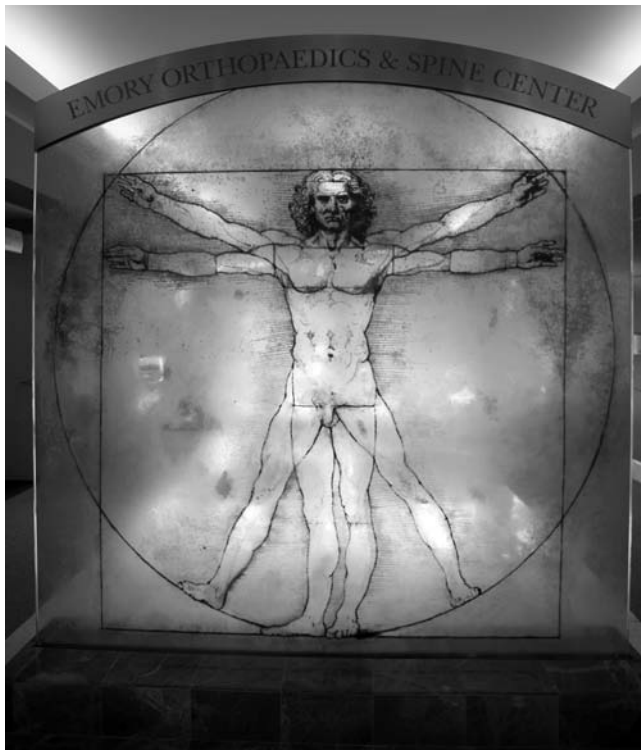

James N. Weisberg, PhD

Clinical Psychologist

Professional Degree: Albert Einstein College of Medicine, New York

Fellowship: Duke University Medical Center

Clinical Interests: Anxiety, arthritis, back pain, herniated disc, neuropathic pain, spinal pain

PEDIATRIC ORTHOPAEDICS AND SPINE DEFORMITY

Robert W. Bruce, MD

Professional Degree: Vanderbilt University School of Medicine

Residency: University of Minnesota Hospitals and Clinics

Fellowship: Gillette Children's Hospital and Shriners, Minnesota, and Minnesota Limb Length Center

Board Certified: Orthopaedic Surgery

Clinical Interests: Children's orthopaedics, scoliosis and pediatric spine deformity, fractures, limb lengthening and deformity correction (Ilizarov surgery), cerebral palsy

Denise Coultres, NP

Professional Degree: Queen's University

MSN/FNPC: Loyola University

Certification: Family Nurse Practitioner, American Academy of Nurse Practitioners

Clinical Interests: Pediatric orthopaedics, fractures, scoliosis, spine deformities, sports medicine/growth, developmental issues for children and adolescents

MUSCULOSKELETAL ONCOLOGY

David K. Monson, MD

Professional Degree: University of Iowa

Residency: University of Wisconsin Hospitals and Clinics

Fellowship: University of Chicago Medical Center

Board Certified: Orthopaedic Surgery

Clinical Interests: Bone and soft tissue tumors, bone metastasis, limb salvage, joint reconstruction

Shervin V. Oskouei, MD

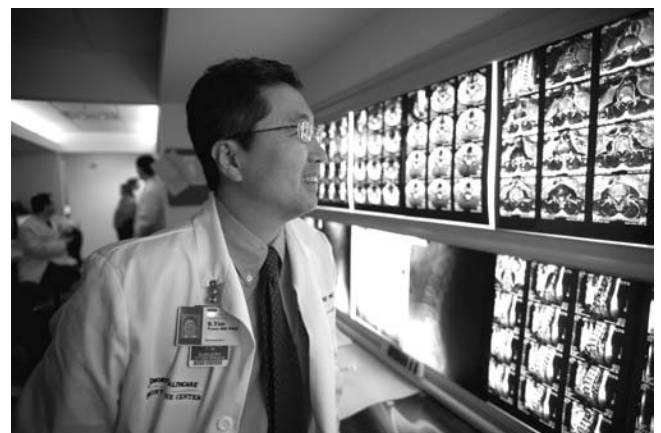

Professional Degree: Medical College of Georgia School of Medicine

Residency: Emory University School of Medicine

Fellowship: University of Chicago

Board Certified: Orthopaedic Surgery

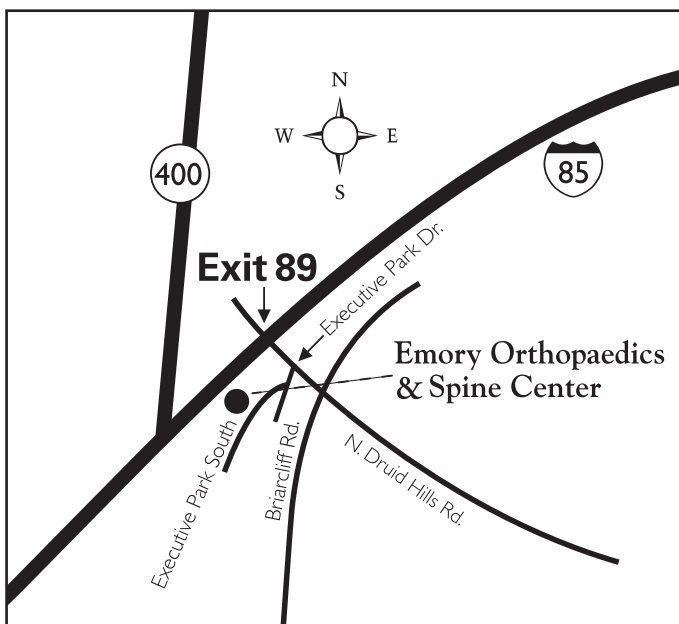

Clinical Interests: Bone and soft tissue tumors, bone metastasis, limb salvage, total joint arthroplasty
