

Welcome to Emory Crawford Long Hospital

We are very pleased to have you as part of our institution. Below you will find important information to assist you in getting acquainted with the Hospital and its many offerings.

FAQs

1. Who do I contact to request parking access and an ID badge?

LaSharn Street-Gholston, CPCS, Medical Staff Liaison – 404-686-7789
or via pager 404-686-5500 Pic#14987

2. Who do I contact to request computer access?

LaSharn Street-Gholston, CPCS, Medical Staff Liaison – 404-686-7789
or via pager 404-686-5500 Pic#14987

3. Once I have computer access, who will I contact for applications training?

- For medical records/transcription systems and E-Signature training, please contact:
Gayle Rinder – 404-686-2928 or Darrin Roper – 404-686-2933
The E-signature application allows you to edit and sign your “dictated” reports from the hospital or remotely.
- For PACS access and training, please call 404-778-4357
PACS MagicWeb is the Siemens PACS (Picture Archiving and Communication System) software solution in use at EMORY HEALTHCARE. All radiology images are available for viewing through this system.
- For EeMR (Millennium) training, please call 404-778-4357
EeMR (Millennium) is EMORY HEALTHCARE’s electronic medical record system. EeMR allows you and other providers immediate system-wide access to patients’ clinical information.
- Online training is also available for PACS and PowerChart Millennium via the www.eushc.org Web site, within the “Applications” section.
