Hello Potential Volunteer,

Thank you for contacting the volunteer office of Wesley Woods Geriatric Center. Please reference the exciting and rewarding volunteer opportunities available for those 18 years of age or older, out of high school. If you're able to donate your time for **6 or more consecutive months (a commitment form will be provided at orientation asking for signature)** on a regular basis and the opportunities interest you, please submit the volunteer application via email to [volunteer.information@emoryhealthcare.org](mailto:volunteer.information@emoryhealthcare.org), fax to 404-728-6558, or postal mail to the address listed above. Applications remain active for 60 days from date received.

A copy of a current driver's license, state photo identification, or passport is required if invited to attend an adult orientation.

**Please feel free to follow up with the volunteer office the day of faxing/emailing or three days after mailing your preliminary information to ensure your form has been received.**

**Currently, we do not have opportunities for court appointed community service, shadowing, internships/externships, medical coding/billing, within medical records, or clinical.**

Thanks for your interest in our volunteer program,

*Katrina Fickling*
