Shermeen Merani, Licensed Aesthetician

Shermeen Merani attended the Georgia Institute of Cosmetology and Aesthetics in Atlanta, Georgia and received her Aesthetician license in 2014. She is also a certified medical assistant and in the past has worked in the field of dermatology.

She performs high quality facial and body treatments that are customized for each client's skin type. She has developed expertise in performing laser hair removal, laser skin rejuvenation, IPL treatments, chemical peels, microneedling and cColsculpting. In addition, she helps develop individualized skin care regimens for her clients. Along with pursuing her passion as an Aesthetician she is also a skilled makeup artist. Shermeen loves to use the art of makeup to showcase one's best facial features. Using high quality medical makeup and a skilled technique she is able to educate clients about camouflaging certain skin conditions like birth marks, scars, bruising or redness from post procedures and teaching them day to day makeup skills, ensuring the patients leave the office with confidence.

Shermeen dedicates herself to always doing what is best for the client to create a positive change in their skin, and is always eager to combine her knowledge of both professions to help her clients achieve their goals
