

Timothy C. Rollins

Vice President and Director
LOR, Inc

tim@lor.com

Timothy C. Rollins is the vice president and director of LOR, Inc. In 1985 he received a BS in business administration from Boston University. He then returned to Atlanta and has been involved in the family businesses Rollins Protective Service, Hydradyne Hydraulics, and Ran Mar Construction for more than 30 years.

Rollins is a director of Marine Products Corporation and serves on the boards of the O. Wayne Rollins Foundation, The Ma-Ran Foundation, and RPC Inc.

He was elected an Emory trustee in 2013.
