

## Part A: General Information

UID: HOSP714

### **1. Identification**

Facility Name:

Emory Saint Joseph's Hospital

County:

Fulton

Street Address:

5665 Peachtree Dunwoody Road NE

City:

Atlanta

Zip:

30342

Mailing Address:

5665 Peachtree Dunwoody Road NE

Mailing City:

Atlanta

Mailing Zip:

30342

Medicare Provider Number:

110082

Medicaid Provider Number:

00000181

### **3. Report Period**

**Report Data for the full twelve month period, January 1, 2024 - December 31, 2024 (365 days). Do not use a different report period**

Check the box to the right if your facility was not operational for the entire year ☐

If your facility was not operational for the entire year, provide the dates the facility was operational

## Part B: Survey Contact Information

**Person authorized to respond to inquiries about the responses to this survey**

Contact Name:

Sara May, RN, BSN, MAOM

Contact Title:

Sr. VP, Heart & Vascular Service Line Clinical Ops

Phone:

678-843-7447

Fax:

678-843-7339

Email:

sara.may@emoryhealthcare.org

## Part C: Utilization Data

### 1. Open Heart Surgery Operations

Report the total number of open heart surgery operations performed during the report period by age and type of operation. Do not include any closed heart surgeries or cardiac catheterization procedures.(Use the blank line to specify another procedure type not included in the list.)

| Type of Operation                                         | Ages 0-14                      | Ages 15+                         | Total |
|-----------------------------------------------------------|--------------------------------|----------------------------------|-------|
| Coronary bypass                                           | <input type="text" value="0"/> | <input type="text" value="385"/> | 385   |
| Coronary bypass plus valves                               | <input type="text" value="0"/> | <input type="text" value="43"/>  | 43    |
| Aortic valve replacement                                  | <input type="text" value="0"/> | <input type="text" value="53"/>  | 53    |
| Mitral valve replacement                                  | <input type="text" value="0"/> | <input type="text" value="17"/>  | 17    |
| Heart transplant                                          | <input type="text" value="0"/> | <input type="text" value="0"/>   | 0     |
| Atrial septal defect                                      | <input type="text" value="0"/> | <input type="text" value="4"/>   | 4     |
| Ventricular septal defect                                 | <input type="text" value="0"/> | <input type="text" value="0"/>   | 0     |
| Tetralogy of fallot                                       | <input type="text" value="0"/> | <input type="text" value="0"/>   | 0     |
| <input type="text" value="Aortic Aneurysm Repair"/>       | <input type="text" value="0"/> | <input type="text" value="113"/> | 113   |
| <input type="text" value="Insertion of Heart Assist in"/> | <input type="text" value="0"/> | <input type="text" value="21"/>  | 21    |
| <input type="text" value="Other"/>                        | <input type="text" value="0"/> | <input type="text" value="46"/>  | 46    |
| Total                                                     | 0                              | 682                              | 682   |

## **2. Closed Heart Surgery Operations**

Report the total number of closed heart surgery operations performed during the report period by age and type of operation. Do not include any open heart surgeries or procedures performed by cardiac catheterization.(Use the blank line to specify another procedure type not included in the list.)

| Type of Operation                                        | Ages 0-14 | Ages 15+ | Total |
|----------------------------------------------------------|-----------|----------|-------|
| Coronary bypass                                          | 0         | 91       | 91    |
| Coarctation of the aorta                                 | 0         | 0        | 0     |
| Closure of patent ductus arteriosus, age>28 days, by CHS | 0         | 0        | 0     |
| Closure of patent ductus arteriosus, age<28 days, by CHS | 0         | 0        | 0     |
| Palliative shunts for cyanotic heart disease             | 0         | 0        | 0     |
| Aortic Transcatheter Valve Replacement                   | 0         | 157      | 157   |
| Mitral Valve Repair and Replacement                      | 0         | 268      | 268   |
| Other                                                    | 0         | 50       | 50    |
| Total                                                    | 0         | 566      | 566   |

### **3. Coronary Angioplasties Resulting in Emergency Open Heart Surgery Operations**

Check box if estimated ☐

During the report period, how many coronary angioplasties performed at your hospital resulted in immediate emergency open heart surgery operations? (Estimate if necessary.)

0

### **4. Open Heart Surgery Patients by Race/Ethnicity**

Please report the number of unduplicated open heart surgery patients your facility served during the report period using the following race and ethnicity categories.

| Race/Ethnicity                | Number of Patients               |
|-------------------------------|----------------------------------|
| American Indian/Alaska Native | <input type="text" value="3"/>   |
| Asian                         | <input type="text" value="67"/>  |
| Black/African American        | <input type="text" value="155"/> |
| Hispanic/Latino               | <input type="text" value="36"/>  |
| Pacific Islander/Hawaiian     | <input type="text" value="0"/>   |
| White                         | <input type="text" value="403"/> |
| Multi-Racial                  | <input type="text" value="14"/>  |
| Total                         | 678                              |

## **5. Open Heart Surgery Patients by Gender**

Please report the number of open heart surgery patients by gender served during the report period

| Gender | Number of Patients               |
|--------|----------------------------------|
| Male   | <input type="text" value="513"/> |
| Female | <input type="text" value="165"/> |
| Total  | 678                              |

## **Part D: Financials and Average Charges**

### **1. Average Total Charge and Average Actual Reimbursement**

For the report period, report the average total hospital charge, length of stay and number of cases from admissions to discharge, excluding Medicare outliers, for each of the following MS-DRGs. Use the blank lines to specify other DRGs not included in the table.

| Selected DRGs                                                          | Average Total Hospital Charge | Average Length of Stay | Number of Cases Included in Calculation of Averages | Actual Hospital Total Cases |
|------------------------------------------------------------------------|-------------------------------|------------------------|-----------------------------------------------------|-----------------------------|
| Heart Transplant (MS-DRG 001 & 002)                                    | 922,230                       | 33                     | 13                                                  | 13                          |
| Cardiac valve with cardiac catheterization (MS-DRG 216, 217, & 218)    | 313,330                       | 12                     | 62                                                  | 62                          |
| Cardiac valve without cardiac catheterization (MS-DRG 219, 220, & 221) | 230,406                       | 6                      | 439                                                 | 439                         |
| Coronary bypass with PTCA (MS-DRG 231 & 232)                           | 225,490                       | 7                      | 27                                                  | 27                          |
| Major cardiovascular procedures with CC (MS-DRG 268-272)               | 174,802                       | 10                     | 10                                                  | 10                          |
| Major cardiovascular procedures without CC (MS-DRG 268-272)            | 0                             | 0                      | 0                                                   | 0                           |
| Other cardiothoracic procedures (MS-DRG 228, 229 & 230)                | 192,270                       | 5                      | 17                                                  | 17                          |
| Other Heart Assist S                                                   | 6                             | 633,015                | 1                                                   | 1                           |
| ECMO or Trach w m                                                      | 26                            | 810,855                | 9                                                   | 9                           |
| Coronary Bypass w                                                      | 8                             | 233,093                | 124                                                 | 124                         |
| Coronary Bypass w/                                                     | 7                             | 205,530                | 313                                                 | 313                         |
| Other                                                                  | 7                             | 201,437                | 286                                                 | 286                         |

## **2. Heart Surgery Patients and Operations by Primary Payment Source**

Please report the total number of unduplicated open heart surgery patients and operations by primary payment source. Report Peachcare for Kids patients under Third-Party.

|                                       | Medicare                         | Medicaid                        | Third Party<br>(Including<br>Peachcare) | Self-<br>Pay                   |
|---------------------------------------|----------------------------------|---------------------------------|-----------------------------------------|--------------------------------|
| Number of Open Heart Surgery Patients | <input type="text" value="358"/> | <input type="text" value="15"/> | <input type="text" value="304"/>        | <input type="text" value="1"/> |
| Number of Operations                  | <input type="text" value="359"/> | <input type="text" value="16"/> | <input type="text" value="307"/>        | <input type="text" value="1"/> |

## **3. Total Charges and Actual Reimbursement for Open Heart Surgeries**

Please report the total charges for open heart surgeries provided during the report period. Also, report the actual reimbursement received for charges for open heart surgeries provided during the report period.

Total Charges:

Actual Reimbursement:

## **4. Total Uncompensated Charges and Total Uncompensated Patients**

Please report the total uncompensated charges for open heart surgeries provided to patients that qualified as indigent or charity care cases. Also, report the number of patients.

Total Uncompensated Charges:

Total Uncompensated Patients:

## **5. Adjusted Gross Revenue**

Also report the adjusted gross revenue for open heart surgery services provided during the report period.

Adjusted Gross Revenue:

90,690,791

Part E: Peer Review

1. Participation in Peer Review

Check the box to the right if your program/facility participates in an external or national peer review and outcomes reporting system

If you indicated yes above, please provide the name(s) of the peer review/outcomes reporting organization(s) below

Vizient; Society of Thoracic Surgeons- Adult Cardiac Surgery Registry; Intermacs for VADS

2. Community Education Programs

How many community education programs did your program/facility participate in during the reporting period?

0

Part F: Patient Origin 2024

1. Patient Origin 2024

**Please report the number of open heart surgery patients by county and age category. The total number of patients reported here must balance to the totals reported in Part C, Questions 4 and 5. To add a row press the button. To delete a row press the minus button at the end of the row.**

| County    | Patients Ages 0-14             | Patients Ages 15+               | Total |
|-----------|--------------------------------|---------------------------------|-------|
| Alabama   | <input type="text" value="0"/> | <input type="text" value="6"/>  | 6     |
| Baldwin   | <input type="text" value="0"/> | <input type="text" value="1"/>  | 1     |

---

Please note that the survey WILL NOT BE ACCEPTED without the authorized signature of the Chief Executive Officer or Executive Director (principal officer) of the facility. The signature can be completed only AFTER all survey data has been finalized. By law, the signatory is attesting under penalty of law that the information is accurate and complete. I state, certify and attest that to the best of my knowledge upon conducting due diligence to assure the accuracy and completeness of all data, and based upon my affirmative review of the entire completed survey, this completed survey contains no untrue statement, or inaccurate data, nor omits requested material information or data. I further state, certify and attest that I have reviewed the entire contents of the completed survey with all appropriate staff of the facility. I further understand that inaccurate, incomplete or omitted data could lead to sanctions against me or my facility. I further understand that a typed version of my name is being accepted as my original signature pursuant to the Georgia Electronic Records and Signature Act. **Do not sign until you are ready to submit. Signed surveys will be locked to prevent post-validation revisions that could throw the survey out of balance. If you sign the survey, you will need to contact us to unlock it for revision.**

Authorized Signature

Kevin Andrews

Date

08/08/2025

Title

Chief Operating Officer, ESJH
