I have headaches almost all the time.	□ I : □ I : □ I : □ I : □ I : □ I : □ I : □ I : □ I : □ I : □ Pa	am able to engage in all my recreation ain at all. am able to engage in all my recreation able to engage in all my recreation at all. am able to engage in most, but not all attivities, because of pain in my neck. am able to engage in few of my recreation in my neck. can hardly do any recreation activities at a can't do any recreation activities at a	on activities, with some l, of my usual recreation eation activities, because of s, because of pain in my

Instructions:

- 1. The NDI is scored in the same way as the Oswestry Disability Index.
- 2. Using this system, a score of 10-28% (i.e., 5-14 points) is considered by the authors to constitute mild disability; 30-48% is moderate; 50-68% is severe; 72% or more is complete.
