A Special Message from Our Executive Director

On behalf of the Emory Healthcare Veterans Program (EHVP), I wish you a joyful holiday season and a happy new year.

As we look back on 2025, gratitude is at the heart of everything. This year, we celebrated 10 years of healing, growth, and hope. Our anniversary celebration, held at Fernbank Museum on November 13th, was remarkably inspiring.

Having our community come together to honor a decade of impact reminded us exactly why we do this work. Our graduates' stories silenced the room and then lit it up with inspiration, reaffirming our mission and deepening our commitment to our nation's heroes.

Thank you to everyone who has been part of this journey. You made the past decade and this year's celebration unforgettable.

Above all, we are thankful for the post-9/11 veterans and service members who entrust us with their care. Their courage, both in serving our country and in taking the brave step to get treatment at EHVP, drives our work every day.

We are deeply grateful for the supporters who make our work possible, including the Wounded Warrior Project®, the Bob Woodruff Foundation, the Georgia Department of Veterans Services, and many more foundations, companies, and individual donors who stand beside us.

Because of your generosity, we can offer world-class, transformative care at no cost.

As the year comes to a close, my heart is full knowing that so many individuals and organizations champion our mission and support our country's veterans and service members.

As EHVP looks toward 2026, we are inspired and humbled to continue our vital work into the next decade and beyond.

Warmest wishes for a peaceful holiday season and a bright year ahead.

Warmly,
Dr. Barbara O. Rothbaum, EHVP Executive Director

Support EHVP on Giving Tuesday

Please celebrate Giving Tuesday with us! By supporting EHVP, you will serve post-9/11 veterans and service members with zero-cost, life-changing mental health care for post-traumatic stress, traumatic brain injury, military sexual trauma, anxiety, and

depression.

Our treatment program is:

Effective: Our evidence-based program works.
Accelerated: Graduates heal in just two weeks.
Transformative: Treatment empowers veterans, saves lives from suicide, and restores families.

Your gift will save lives. Please give today.

Give Here

Thank You for Celebrating 10 Years of Healing & Growth

Thank you to everyone who joined our anniversary celebration. It was an unforgettable evening honoring veterans, service members, families, the EHVP team, donors, and partners who have shaped our program over the past decade.

In particular, we wish to thank our event sponsors and express our appreciation to JP Hill Bus Stop Prophet and Alchemy Sky for providing incredible music!

Most importantly, the EHVP community of graduates and partners made the night truly special. Whether you were reconnecting with fellow graduates, sharing stories with our team, or hearing firsthand the inspiring journeys of our speakers, you helped create a meaningful moment of reflection and pride for our entire community.

As we look ahead to the next decade, we remain committed to delivering world-class care and expanding access to treatment so more veterans can find healing and hope.

Thank you for standing with us, believing in our mission, and helping us transform lives. We are deeply grateful.

By The Numbers

(as of November 2025)

3,852 veterans and service members served since 2015

94% of participants who start our accelerated treatment program complete it

76,279 hours of evidence-based therapy have been provided at no cost since 2015

In Case You Missed It

EHVP's Deputy Director, Dr. Sheila Rauch, appeared on Good Day Atlanta to talk about the impact of our program and the hope it brings to those we serve.

Watch Now

EHVP's Executive Director, Dr. Barbara Rothbaum, joined 11Alive to share our message and highlight the impact of our work.

Watch Now

Dr. Rothbaum sat down with the *Going in Blind* podcast to talk about the work our team is doing to help veterans heal and thrive.

Watch Now

Dr. Rothbaum highlighted the ongoing work behind our psychedelic-assisted therapy clinical trials in an interview with CBS News Chicago.

Watch Now

Dr. Rauch was featured on the *Impact in Progress* podcast

hosted by Dr. Kimberly Eck. She discussed processing emotions and getting the word out about approaching difficult memories to approach it, feel it, stay with it, share it and let it go.

Watch Now

Dr. Rauch received the inaugural VA Office of Rural Health **Veterans First Recognition Award for Outstanding Rural Mentored Implementation Lead and Team** for the Processing Emotions in Primary Care Implementation and Training Program that trains embedded mental health providers in primary care in effective PTSD intervention.

Congratulations, Dr. Rauch!

Transform Your Life with Evidence-Based Care

We treat invisible wounds, such as post-traumatic stress (PTS), traumatic brain injury (TBI), military sexual trauma (MST), anxiety, and depression with evidence-based treatment that works.

Treatment is provided at no-cost and is confidential for eligible post-9/11 veterans and service members living anywhere in the United States, regardless of discharge status, deployment history, or length of service.

Our accelerated two-week treatment program is offered in-person at our clinic in Atlanta or via telehealth in 41 states and 2 U.S. territories.
When you're ready to transform your life, we're here to help.

Call 888-823-4014 to speak with a veteran care coordinator today or fill out this confidential form and we will contact you within 24-48 hours.
