

Emory Soccer Medicine Conference

Saturday, July 30, 2022 • 8 a.m. – 2 p.m.

The Emory Soccer Medicine Program would like to invite you and fellow soccer coaches, players, parents and health care professionals to join us for our 2022 Emory Soccer Medicine Conference.

Topics Include:

- Identifying soccer-related injuries and how to manage them
- Discuss soccer-specific training programs
- Understanding the importance of mental health in athletes

This conference is virtual for players and parents and in person at our Johns Creek location (6325 Hospital Pkwy, Classrooms A, B, & C, Johns Creek, GA 30097) for all coaches and health care professionals. Although this conference is free, registration is required.

Visit emoryhelathcare.org/soccer for the final agenda as well as more information about the Emory Soccer Medicine Program.

Registration: Scan the QR code and complete the form.
